

### MISSION STATEMENT

Every congregation has the same mission, and that is to win the “lost”, and build the “found.” However, each congregation has a unique way that they go about accomplishing this mission. Our mission encompasses three B’s as follows;

Build Godly Families – bringing people into right relationship with God.

Build Healthy Families – bringing people to balanced living (holistic development, mental, physical, and financial).

Bring others into the F.A.M.I.L.E.E.

Instill Excellence in individuals, one person at a time
